Dear Rohan Kapoor,

Thank you for the time you have chosen to dedicate to *Leave Your Mark 2025*. This initiative reflects the vision of our School: to educate individuals capable of leading change with responsibility, awareness and dedication to making a difference

Thanks to your valuable contribution, you will provide concrete support to non-profit organizations that are committed, day after day, to building a fairer and more sustainable society and economy. In doing so, you will give shape to the values we share, translating them into tangible actions and generating a positive impact on the community. We hope this project will strengthen your connection with a community that stands out for its ethics, commitment and vision.

*Leave Your Mark* is not just a pro-bono consulting project, it is an opportunity to put your skills into practice in a different setting, with an attitude of listening, understanding and exchange. It is a chance to reflect on the meaning of your role in the world and to help build, together, a more inclusive and responsible future.

We hope this experience will be a source of inspiration, learning and meaningful connections for you. At the same time, we are confident that the mark you leave will be deep, genuine and lasting.

Thank you for choosing to be part of this journey. Thank you for choosing to *leave your mark*.
